

## **First market surveillance authorities' joint action on tyre label compliance**

**Brussels, 8<sup>th</sup> April 2016** - ETRMA welcomes the launch of the first joint action in the area of tyre label market surveillance.

[PROSAFE](#) - the uniquely equipped and authorised body to manage joint market surveillance activities - has been tasked by the European Commission to coordinate such action.

The campaign, MSTyr15, will last until the beginning of 2018 and involves Market Surveillance Authorities of 13 EU Member States and Turkey. Furthermore, it will liaise with all EU 28 Market Surveillance Authorities through the TyresADCO.

*"ETRMA believes that this action is key to establish a level playing field in Europe and for the benefit of the consumers as it combines compliance controls on both safety and energy labelling requirements"* said Ms Cinaralp, Secretary General of ETRMA.
